### **Rep. Stripp Has Near-Perfect Attendance Record for 2005 House Roll Call Votes**

State Representative John E. Stripp, R-135<sup>th</sup> District, established a near-perfect record for votes cast on the floor of the state House of Representatives during the 2005 legislative session, according to information provided by the House Clerk's Office.

Representative Stripp was present and voting for 459 of the 460 votes taken on the state House floor during the 2005 session, the House Clerk's Office reported. This year, only 23 out of 151 state representatives had perfect or near-perfect (one missed vote) records for floor votes.

Representative Stripp, a banker, missed one vote. He recused himself from a vote on a banking bill to avoid the appearance of a conflict of interest. Representative Stripp, as an Assistant House Minority Leader, is frequently involved in House Republican Caucus leadership meetings.
